

Puyallup's Parade Staging

The parade begins in Puyallup at 5pm

The last unit should cross the finish line by 6:30pm

Final Parade Order has been completed. There are 102 units.

Section A – first one third of parade. You need to arrive in your assigned staging area not later than 4:00 pm

Section B – middle of parade. You need to arrive in your assigned staging area not later than 4:20 pm

Section C – last one third of parade. You need to arrive in your assigned staging area not later than 4:40 pm.

STAGING AREAS: When you arrive, Kiwanis volunteers in orange vests will help you find your exact staging space. **If you are NOT assigned to stage on Meridian, you must arrive in your staging area without using Meridian. Arrive from the south, east or west, not from the north.**

Meridian (between Stewart Ave and Main Avenue) is reserved for oversize vehicles such as floats and semi trucks. If you are not assigned to stage on Meridian, avoid this very congested roadway.

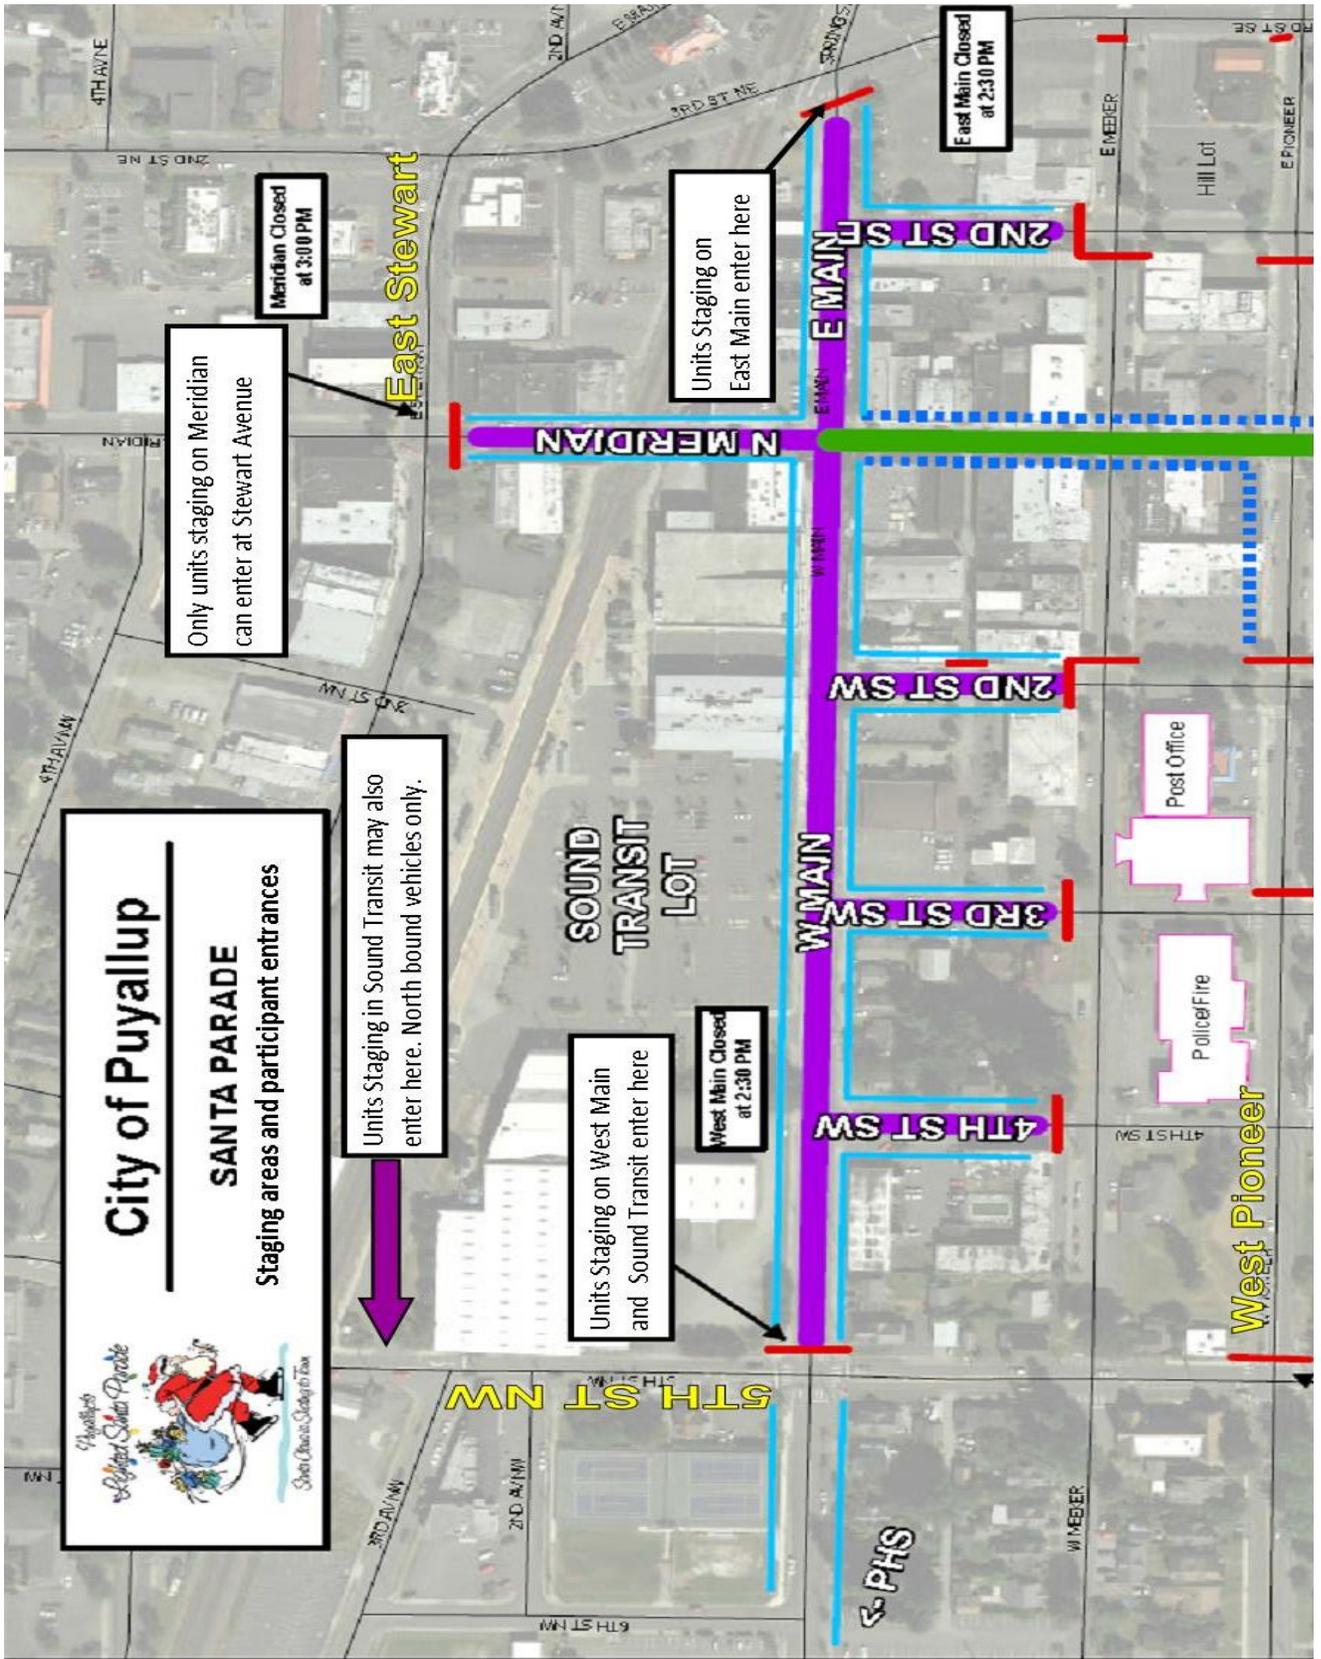

East Main Avenue (Near Charlie's Restaurant and Milo Locksmith). Participants should park on a street or in a parking lot east of Meridian. Limited parking may be available in the old Cornforth Campbell parking lot, but most of this lot is used for parade staging. Most of the units coming from the Sumner parade will stage in this area.

West Main Avenue between Meridian and 5th Street SW area contains most parade units where there is a combination of vehicles and pedestrians. Participants are encouraged to gather at some site far from the parade route and then arrive as a group. Cars should be parked somewhere around fairgrounds.

Sound Transit Lot between Meridian & 5th Street SW SOUTH of the railroad tracks is reserved for staging units that contain no motorized units. Wagons and bicycles are acceptable in this area. Most drivers should be able to find parking space in the Sound Transit lot. You **MUST** arrive from the west. Do not plan on using Meridian or crossing Meridian to reach this location.

Puyallup High School near the swimming pool is the staging area for car clubs and other units that include no walking participants. Here you assemble. You will be escorted to West Main as a group just prior to your time to begin the parade.

Sumner Parade – here is brief information about Sumner parade.. The parade is staged inside the Sumner High School Sunset Chevrolet Stadium parking lot. **ONLY PARADE VEHICLES** will be inside the lot. Support vehicle drivers must find a location to park on city streets. If your unit is moving on to Puyallup, it is suggested you park near the Sumner Sounder rail station so your vehicle will be nearby for a quick trip to Puyallup. You might not have time to walk back to the starting line and then drive to Puyallup. The parade in Sumner begins at 3:30pm.
